Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has the badge of HONESTY on every bottle-wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, dragging down distress in lower abdomen or pelvis, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or the derangement of the feminine organs, you can do better than take Dr. Pierce's Favorite Prescription.

The medical surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and local treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home.

"Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of woman's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given a fair chance for perseverance in its use for a reasonable length of time.

You can't afford to accept a second-hand remedy as a substitute for this remedy of known composition.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A germ of business, Prof. Sabouraud, of Paris, France, inoculated a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide.

"Destroy the cause; you remove the effect."

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00.

HICKS FOR JUNE.

A regular storm period extends from the 2d to the 7th. It is central on the 4th, with the moon on the celestial equator on the 5th. The crisis of this period will fall on and next to that date. It will be preceded by marked rise of temperature, with rapid and decided fall of barometer, and the culmination will come in sudden and severe thunder storm, cloud bursts, hail, wind and possibly tornadoes.

A reactionary storm period is central on the 9th, 10th and 11th. The new moon is on the 10th, in the midst of the magnetic crisis that falls annually on and about the 11th. Earthquakes will be reported in many quarters of the globe within three days of noon on the 10th. Rising barometer, west wind and change to much cooler will spread eastwardly over the country following hail storms and cloud bursts about the 11th to 14th.

The third regular storm period will prove one of the most decided times of turmoil in June. It is central on the 15th and will come to its culminating stages during the 16th to the 18th. Let no one take shelter under green trees during these vicious thunder storms in June. The lightning of a coming thunder storm is different from the harmless sheet lightning which blazes all around the heavens in the June nights.

A reactionary storm period falls centrally on the 20th, 21st and 22d. The June solstice and the Mercury disturbances are central together on the 21st. The moon passes over the celestial equator, working southward, on the 20th. On and touching that day look for sudden and very decided rise of temperature, with corresponding fall of the barometer.

The fifth regular storm period has its center on the 27th, reaching from the 26th to 29th. The moon is full and in perigee on the 26th and at extreme south declination on the 26th. Low barometer and other storm conditions will appear at the beginning of this period and solstice storms of rain, wind and thunder, will continue daily through the greater part of the same, especially central to eastern parts of the country. Another marked seismic period will fall from about the 24th to the 27th, most notably on the 25th and 26th. Heavy storms about the 25th to 28th will bring danger or alarm to you and yours if you are not ready for them. Probabilities are that the heaviest and most general rains in June will fall during this closing period of the month.

Compared by Brewster's Union.

The last barrel of "union" beer made in this country, according to an edict of the American Federation of Labor, was manufactured yesterday. At midnight the Brewery Workers' Union ceased to exist in the eyes of the national labor leaders, and the two million organized workmen in the United States will be asked to become footloose, or to use some other kind of beverage than beer. The brewery employees have rebelled against President Gompers and the national labor executive council, and they are to be disciplined. The method adopted is expulsion.

Secretary Kemper, of the Chicago union, said the 3,000 brewery workers in Chicago will go on brewing beer whether the American Federation of Labor regards it officially as a "union" product or not.

The trouble has been growing for several years. Two months ago the national labor council met in Washington and gave the Brewery Workers' Union until June 1 to comply with an order to oust all engineers, firemen, and teamsters from its organization. These men were under the protection of the union, which was in conflict with the principle of trade autonomy upheld by the federation. The brewery employees then took a vote and 98 per cent of the members favored resistance to the order. This brought about the present situation.

He Fought at Gettysburg.

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for female weakness. Great alternative and body builder; cure for lame back and weak kidneys. Guaranteed by E. S. Leadbeater & Sons, druggists, 50c.

Reject Venus Without Skirts.

The Kansas City, Kans., School Board has rejected a beautiful piece of statuary, Venus Genetrix, because of a conspicuous lack of drapery. The statuary was given the city by Senator W. J. Buchanan, a lover of art, who purchased it in Italy, and it was the donor's intention that this particular Venus should occupy a position of honor in the public library. This same Venus is now occupying a secluded corner in the basement of the library, where it was hurriedly consigned by the School Board because not thought proper art to exhibit.

Do Not Neglect the Children.

At this season of the year the first unnatural looseness of a child's bowels should have immediate attention. The best thing that can be given is Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by castor oil as directed with each bottle of the remedy. For sale by W. F. Creighton & Co. and Gibson & Timberman.

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Trouble of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside of the stomach—muscle weakness, always. And the Heart, and Kidneys, as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bleeding, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free Book now. Dr. Shoop's Restorative sold by E. S. Leadbeater & Sons.
